

## American Conference Meeting Red Bluff District Office

There will be a meeting of the American Conference of the Northern Section of the CIF beginning at 10:00 am, on Thursday, September 16, 2004. Your attendance is essential to give your school proper representation and placement into the proper league within the Northern Section. Below are some of the areas of discussion we will cover. Please email me any other areas that need to be added to the agenda.

We have issues to solve for current realignment of 2004-2006 including:

- Ø Placement of Hamilton & Esparto Soccer teams for League Placement
- Ø American Conference Position on 214 One time Transfer and its future

New Realignment is upon us for 2006-2008.

- Ø Please be ready to discuss new school petitions to the American Conference

- Ø Potential new realignment due to schools leaving the section

- Ø Ideas relating to league structure and school placement

- Ø Election of Chairman for new realignment

- Ø Discussion of School representation at American Conference and Board of Managers

- Ø Any other pertinent information which needs to be reviewed at our 2<sup>nd</sup> meeting of 2004.

I am looking forward to seeing you all at the meeting. Thanks!

Mike West, CAA
