

DATE: April 21, 2005
TO: Tom Schroeder – NSCIF Commissioner
Athletic Directors – California Conference
Principals/Superintendents – California Conference
FROM: Dan Swagerty – California Conference Chairman
RE: Conference Minutes and Notes from March 16, 2005

1. Call to order
2. Roll Call – League Schools Absent – Greenville, Herlong, Loyalton, Downieville,
Providence Christian, Redding Adventist
3. Public input – None
4. League Hardships – Follow your league by-laws
5. League Meetings – Send agenda & minutes to Commissioner & Realignment Chair
6. Realignment for 2006-2008

Plumas County Situation – California Conference voted by consensus to allow Greenville & Loyalton to remain in the California Conference for Football only through the next realignment period. There was a feeling that they needed to move all the way into the American Conference after that realignment period expires.

Everyone will play everyone. Games of distance opponents will always be doubleheaders. Game #1 will be a 7 inning game and count in the league standings. Game #2 will be a 5 inning game and count only as an additional game, not a league game. This helps facilitate total game numbers for all involved teams. With the leagues, as above, each team will have 12 league games and a total number of games ranging from 18-24 without ever scheduling any extra opponents.

TRACK – GOLF – WRESTLING – SWIMMING – ETC.

These sports will stay as is (status quo).

I will be discussing the above, if necessary, with Commissioner Tom Schroeder and the American Conference Chairman in regard to any changes.
