

National Conference

Meeting minutes

9-22-2010

Meeting was called to order at 9:05 am. Roll call was taken and all schools were present except Orland and Gridley.

Discussion took place and it was decided that we will stay with the two-thirds vote to make our final decisions. We also set the scheduling criteria to be geography, enrollment and competitive equity, in that order. After some discussion, four schedules were proposed to start the process. Proposals attached.

All schools were asked to take these back to their principals and coaches, discuss them, and bring back ideas to the next meeting on November 9th at 9:00 am. at Red Bluff High School.

It was also decided that we need to ask the Executive Committee to consider re-aligning the Conference Models. We need more teams to make scheduling easier, or maybe even fewer teams. This would help eliminate a lot of problems we are facing.

Meeting was adjourned at 11:50 pm.

Respectfully submitted,

Mike Worley

National Conference Chair.
