

National Conference Meeting
Wednesday, September 23, 2009
Red Bluff High School Library
9:00 am.

Minutes

Mike Worley called the meeting to order. Schools in attendance were: Yreka, Sutter, Chico, PV, EHS, Shasta, FHS, LP, Oroville, RB, Lassen, Paradise, Corning, CV, WV, Orland, Anderson, and Gridley. Those absent: Winters and Wheatland.

Mike Worley explained that it was the main goal for today was to schedule football for 2010-2012. It was also reiterated that we all need to help each other come away with a full schedule.

Schedules were written on the board and filled as agreements were made. Unfortunately, not all teams ended up with full schedules. After some discussion, that idea was abandoned, and the schedules made were final for now. The teams without full schedules were left to find games for themselves.

Obviously, this method doesn't work for various reasons. So it's almost useless to have this meeting. Tom Aldridge explained that this meeting was originated to help all teams schedule games in an arena where cooperation and professionalism were expected. It was very apparent that not everyone believed in this philosophy. So we left the meeting with several schools lacking full schedules.

Mike Worley ended the meeting saying that we shouldn't have this meeting anymore, and that everyone should just make their own schedules.

Meeting was adjourned at 10:50 am.

Respectfully submitted by Mike Worley. 9-24-09
