NSCIF Sportsmanship Guidelines

The Northern Section CIF Sportsmanship Guidelines have been developed to maintain the highest possible standards in our athletic programs and to promote a positive attitude toward high school athletics by all involved.

Note: Schools are expected to adhere to the Northern Section Sportsmanship Guidelines. Conferences, Leagues, and/or individual schools may enact guidelines that are more stringent than those adopted by the Section

- A. Signs, banners, and/or school flags.
 - 1. Signs with positive and supportive messages are allowed.
 - 2. Derogatory signs are prohibited and will not be allowed and will be removed by school/game officials. Derogatory signs include, but are not limited to, any sign making reference to an opponent, the players, coaches, any participants, the school, and/or the school mascot.
 - 3. Signs are to remain in the schools' designated area.
 - 4. School flags/banners or ceremonial objects may only be displayed on the respective school's side of the field or court.
 - 5. Individuals or groups carrying signs, school banners, and/or school ceremonial objects are not to run in front of or near an opponents "rooting section" as it often incites and offends that section of fans.
- B. Seating Policy
 - 1. In order that all spectators may experience maximum enjoyment at NSCIF athletic events, spectators (particularly students) wishing to audibly cheer or support a particular team as a group, be ~~seated in~~ ***assigned to*** an area designated as their "rooting section" and remain there for the duration of the contest.
 - 2. ~~Seating~~ ***Assigning an area*** of an opposing "rooting section" with or near an opponent's "rooting section" is to be avoided wherever possible and such persons shall be directed by staff and/or game management to the appropriate ~~seating~~ location provided for them.
 - 3. Designated "rooting sections" should be communicated to schools involved so as to avoid moving groups of people from one location to another.

C. Warm-up Procedures

1. Protocol will allow visiting teams to take the court/field followed by the home team. Other arrangements may be made by Game Administration.
2. Teams are not to run through or disrupt an opponent's pre-game warm-up procedure.
3. Where applicable (football, basketball, soccer, field hockey) mid-field/mid-court should be kept as clear as possible. The court/field should be visually divided into thirds. The middle third should be void of any warm-up activity or team ritual. Any team huddles or rituals should occur in the team's third of the field/court.
4. Volleyball warm up procedure is to follow the NFHS rulebook.
5. For baseball/softball the (home) team will take infield first. The opponent shall remain in the dugout or bench area while infield is being conducted. Exception: Bull pen personnel.
