Discussion:

Shasta Cascade League does not want to travel to Junior Colleges. It is an inconvenience to schools and fans.

Bill Wells: Committee was unanimous that they wanted a chance to make this Junior Committee format work.

BVL wanted confirmation that the Baseball Committee will be taking responsibility for securing the site and field prep.

SVL had concerns for Delta & Rio Vista using Yuba as the closest JC. That would be a 2 hour drive for the host school.

What is the JC responsible for, PA, score board?

If Rio is #1 seed they can reserve a Sacramento area JC?

Failed Motion:

Accept BB proposal with clarification on responsibility and increase of fee.

Roll Call vote: 9 yes/18 no

## IV. G. 301.2 Constitution Change JV level exception

### 301.2 NORTHERN SECTION CIF CLASSIFICATION

D. A student may participate in a non-league interscholastic contest in an advanced class and may return to the lower class for League competition during that season of sport providing they do not violate any CIF or NSCIF Bylaws including, but not limited to: age limitations, maximum number of contests, and/or representing his/her school in but one classification per sport per day. A student, who participates on an advanced team in a League contest, may not return to a lower classification during that season of the sport. **Exceptions:** Skiing and Snowboarding, Track and Field (see note), and Wrestling.

*Exception: J.V. football players may participate at the varsity level when an opposing school does not field a J.V. team. They may return the following week as an eligible player at the junior varsity level. All of Article 19 including 1900.1 Age Requirement must be complied with.*

NOTE: In the sport of Track and Field, a boy or girl may change classification until the League final meet. The classifications in the League final meet for Track and Field determines the classification for all Section meets.

Request to add another exception –

In the California conference, JV players may participate at the varsity level when an opposing school does not field a JV team. They may return the following game as an eligible player at the JV level.

## IV. H. 302.3 Constitution Change Player Ejection

### 302.3 PLAYER AND COACH EJECTIONS (Revised May 12, 2004)

- A. Any athlete or coach, as a participant or spectator of a contest, who is ejected for a flagrant foul, dangerous or unsportsmanlike conduct, or any athlete who leaves the confines of the bench or team area during a fight that may break out or has broken out, shall be disqualified from participating in the remainder of the contest and any subsequent JV and Varsity contests. The athlete or coach will also be suspended at all levels of competition for the team's next contest. The suspension of a coach shall include all levels of competition for that day and all levels of competition for the team's next contest. This Bylaw applies to a single season of sport and includes NSCIF Playoffs, NorCal Regional play, and CIF State Playoffs.
1. In tournament play, when multiple contests occur on one day, the athlete and/or coach ejected for any of the above incidents are suspended for the remainder of that contest and the next contest.
  2. Officials are to report any and all ejections to the Northern Section as soon as possible.
  3. Appeals are not granted because an ejection was not reported to the Section office.
- NOTE: Coaches are not allowed in or around the facility before or during the contest for which he/she is suspended. See NSCIF Bylaw 302.6.

Note: A player, who is suspended from a game, due to an ejection in the previous game, may not dress down nor participate in warm ups nor introductions.
