Current language of Bylaw 301.2 D

A student may participate in a non-league interscholastic contest in an advanced class and may return to the lower class for League competition during that season of sport providing they do not violate any CIF or NSCIF Bylaws including, but not limited to: age limitations, maximum number of contests, and/or representing his/her school in but one classification per sport per day. A student, who is on the official score card or book, in a uniform, or on the roster on an advanced team in a League contest, may not return to a lower classification during that season of the sport.

Exceptions- 1) In the sports of skiing and snowboarding, track and field, cross country, and wrestling an athlete may change classification until the league final meet or contest. The classification in the league's final meet or contest determines classification for all Section meets.

2) J.V. football players may participate at the varsity level when an opposing school does not field a J.V. team. They may return the following week as an eligible player at the junior varsity level. All of Article 19 including 1900.1 Age Requirement must be complied with.

3) In the California Conference, JV players may participate at the varsity level when an opposing school does not field a JV team. They may return the following game as an eligible player at the JV level.
