

## Softball Guidelines 2010-12

Here are the proposed softball changes:

\* For games played against opponents located out of the north section: The enrollment of the team will be placed in the division according to NSCIF guidelines.

\* For section seeding purposes: Forfeit league wins will not be considered if the forfeiting team never fields a team (and/or) never plays an official game.

There are also a couple of errors in the guidelines:

Page 4

5.a

It should say "league games" instead of league matches

Page 8

Should say

Note: Schools choosing not to "charge" admission, will pay the cost of the umpires.
