JOIN THE PURSUING VICTORY WITH HONOR TEAM

Together We Can Make a Difference in High School Athletics

It is the leadership of high school administrators, athletic directors and coaches that will make the 16 principles a reality and more than just a "document" on sportsmanship and character. Many school/districts have already implemented positive change in sportsmanship and are to be commended for their efforts and leadership in this area. Together, the CIF and its member schools can make an even bigger impact and can change the very nature of high school athletics.

Please fill out the form below to indicate adoption of the principles of Pursuing Victory With Honor. The principal will receive a certificate recognizing the adoption and suitable for presentation at any public meeting!
