

Action Item C  
Bylaw 30.1

**Issue-** The Constitution does not reflect our current practice for female representation.

**Background information-**

When the Section established Conferences, the plan was to have female representation based on Conference membership not divisional membership, since divisions do not meet as a group.

The NSCIF Constitution 30.1 says,

A. “~~Four~~ Three female personnel all currently employed by NSCIF member schools *shall be appointed to represent the demographics of the Section.* The leagues comprising each of the existing ~~Divisions II-V as established by State CIF Volleyball and Basketball standards,~~ conferences shall singularly or as a group, nominate one or more candidates for these representative positions. The NSCIF President shall make his/her appointment(s) from this slate of nominees. They shall serve a term of two years.”

Currently we have-

Eileen Mason, Orland, National Conference, Div. IV

Jeanne Utterback, Fall River, American Conference, Div. V

Tammy Turk, Redding Adventist, California Conference, Div. VI

Doug Kaelin has appointed Erin Johnson from Hamilton City to replace Jeanne Utterback, since she is assuming the role as NSADA President.

**Discussion-** Are three female representatives enough? Do we want to expand representation to a female representative from every league, similar to the State Federated Council?

**Recommendation-** Accept the proposed changes.
