

Action C Centennial Celebration

Areas to cover....

1. When?

The State celebration will be held some time in 2014. The "official" first Federated Council meeting was held on July 4, 2014 so we are going to use that date as the 100th anniversary date. The EC approved to move forward with developing a theme and focus. We will be gathering a group of oldies similar to what the SS did to help us develop initial plans. From that group I anticipate some will stay on in some role, but others won't. We've initially talked about 4 - 5 different committees: Hall of Fame, PR/History, Marketing, etc. I will copy you as we go along. I am in the process now of contacting folks in the initial planning group to see if they are interested and would be available to meet.

Liz,

Our Centennial Celebration will take place during the 2012-2013 school year.

Our Director of Communications, Thom Simmons, has the plans we have formulated so far.

As you see, I have copied Thom on your email and my response, so I am sure he will send you what we have going on when he gets the chance. I hope that will be helpful to you.

Good luck with it.

All the best,

Rob
