

206-1 PROPOSAL

This proposed language change gives the student more options of school choice after a valid change of residence. This language attempts to treat all schools the same and is less restrictive than the current language.

RATIONALE: If a student can choose to go to any private school after a valid change of residence, why do we limit which public schools they can attend? If a public school district allows a student to enroll in a school other than the school into whose attendance area the family moved, why does the CIF try to restrict this?

- (i) **student enrolls, attends, and/or is carried on the attendance roll at the new public school (School B) into whose attendance area the family moved, or another public school in accordance with the district(s) policies or a private school or a charter school; AND**
