Bill Treat for arranging the ASEP/Level 1 Courses

3. Applications for Admission to the Federation

Colfax Ski Team (Central II Ski) and Placer Nordic will return from leave of absence.

Tahoe Truckee Snowboard was accepted into the Federation.

4. Update on the 2008 Championships

Lucy Schram, Championship Coordinator, gave a short presentation. A hard copy of the schedule/forms needed was given to each school. Lucy reminded coaches that the web site has been updated with this same information.

5. Name Change for Current Junior Varsity Team

CIF restricts members of Junior Varsity Teams to be freshman and/or sophomores. CNI SSF has always allowed members of Junior Varsity Teams to be any high school grade level. In order to be in alignment with CIF, CNI SSF will field Open Class Teams instead of Junior Varsity Teams. Athletes participating on the Open Class Team may be any grade level.

6. Reminders/Gate Cards

Judy reminded Division Coordinators that gate keeper cards can be obtained from Bill Treat.

In addition CNI SSF coaches must screen all volunteer/private paid coaches and verify that these individuals meet all the criteria for coaching in their school district. This includes but is not limited to fingerprinting, possession of a valid First Aide Card, CPR Certification, and all other district requirements.

Please verify with your athletic director that all "coaches" have met the school district requirements before working with your team. Chaperones must also be fingerprinted.
