Div. IV – Tulelake

Boys Track –
Div. I – Enterprise
Div. II – Wheatland
Div. III – Rio Vista
Div. IV – Hamilton City

Congratulations to all for a successful school year.

Ray Odom will be representing the Northern Section on the State Executive Committee next year.

Please check the Section Web page for important information in planning next year. The 2007-08 section calendar is posted, as well as divisions in various sports.

Please mark your calendar for the Administrative Workshop Aug. 9th at 9 a.m. at the new Red Bluff High School Library. This workshop will cover the new state wide transfer rule. We'll answer any questions that you have and go through some scenarios to test your knowledge at the end of the day. The Administrator's Handbook and forms can be found on the Section web page.

If you have not already done so, please fill out the CIF form to designate representatives to leagues and the section. If individual's names do not appear on this form, they are not supposed to vote. The form is on both the section and state web page. Please return this form to the section office by July 2, 2007.

If transfer students enroll during the June, they should complete the current 214 and 510 paperwork and obtain approval from the section office prior to June 29th. If paperwork is not approved by July 1st, students will be under new transfer rule 207.

Please copy the fall sports guidelines and distribute them to your fall sports coaches. Be sure that coaches know the starting dates, number of practices required and the necessary paperwork required before competition in the first contest.
