Spring 08

If you have anyone retiring that is eligible for a lifetime pass, please get the nomination form to the Section Office by April 1st.

The leagues nominations for the Lemaster/Hendricks/Adamson scholarships need to be to the Section Office by May 1st.

The above two groups of people will be honored at our scholarship breakfast at Butte Creek Country Club on May 14, 2008, at 8:30 a.m.

Please be reminded, if ordering new uniforms for next year to check the rulebooks for specifications. In soccer the shin guards will be examined prior to the games and are required to have the stamp on them to be legal.

Various sport guidelines were distributed as an attachment to the last Board of Managers meeting. Please review these at the league level and be prepared to vote on them at the May 14th Board of Managers meeting.

Another reminder- according to the baseball guidelines, in order for games to count in the seeding process, they must be on your established schedule prior to April 1st. Please let the Section Office know if there is a baseball field in your division that does not meet the guideline requirements. A separate email or fax should have been received by the schools athletic director.

All coaches (paid, assistants, and volunteer) must complete the coaching education requirement as of December 31, 2008, as stated in CIF Constitution bylaw 22.
