Congratulations to all for a successful school year.

Ray Odom will be representing the Northern Section on the State Executive Committee next year.

Please check the Section Web page for important information in planning next year. The 2008-09 section calendar is posted, as well as divisions in various sports.

Please mark your calendar for the Administrative Workshop Aug. 7th at 9 a.m. at the new Red Bluff High School Library. This workshop will cover the state wide transfer rule. We'll answer any questions that you have and go through some scenarios to test your knowledge at the end of the day. The Administrator's Handbook and forms can be found on the Section web page.

If you have not already done so, please fill out the CIF form to designate representatives to leagues and the section. If individual's names do not appear on this form, they are not supposed to vote. The form is on both the section and state web page. Please return this form to the section office by July 2, 2008.

Please remember that athletically motivated pre-enrollment contact is not allowed. Coaches should not talk to incoming students until they have enrolled for school. All transfer students will need to fill out paperwork prior to being eligible to compete in a scrimmage or game.

Please copy the fall sports guidelines and distribute them to your fall sports coaches. Be sure that coaches know the starting dates, number of practices required and the necessary paperwork required before competition in the first contest.
