**Coaches,**

Thanks for all your help as markers, scorers and drivers yesterday at Arrowhead. Congratulations on a great season and particularly to the teams and individuals who will represent Division II next week at Graeagle Meadows.

Our 4<sup>th</sup> Annual NSCIF Coaches Clinic to be held at Bailey Creek Golf Course in September. We would like to have all interested participants register before June if possible to confirm facility size and needs with Bailey Creek. Please contact me if you are unable to register prior to June but are sure you going to attend and can pay in either August or September prior to the clinic. I'll send a flyer with all the information later on this week.

Thanks again for making the 2008 NSCIF Division II Championship run smoothly. I look forward to seeing you next week and/or at the coaches clinic in September.

Tournament Director/Modoc High Golf Coach
