Dear Athletic Director/Head Football Coach –

You have been invited to join in a unique opportunity to display your school's football heritage at Candlestick Park. As a tribute to the importance of high school football programs and the outstanding life skills that they teach young people, the 49ers are creating a three dimensional mural made up of helmets from all of our Northern California high school football programs.

Please mail a helmet from your football program & include a note indicating the school name by **May 29, 2009**. If your helmets are currently being reconditioned, please send one as soon as possible.

Helmets may be mailed to:

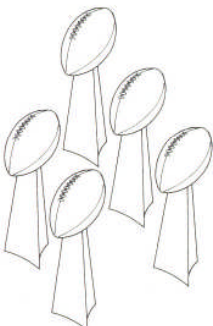

San Francisco 49ers
Attn. Ryan Myers
4949 Centennial Boulevard
Santa Clara, CA 95054

The helmet does not need to be new. If you have any questions or need additional details, please contact the project coordinator, Ryan Myers, Youth Football Representative, at ryan.myers@niners.nfl.net or (408) 986-4820.

Thank you for your commitment to the education of our future leaders, high school football and your participation in this project.

With gratitude,
