Div. II- Chico  
Div. III- Enterprise  
Div. IV- Central Valley  
Div. V- Durham  
Div. VI- Butte Valley

Thank you to everyone that helped put on a wonderful winter playoffs. You did a wonderful job! It was fantastic to watch all our student/athletes compete.

Please copy this newsletter and give to all coaches.

Please remember to have your coaches go on-line to [www.maxpreps.com](http://www.maxpreps.com) to record your wins and losses, since that is the site we use for seeding into the playoffs.

Spring 10

If you have anyone retiring that is eligible for a lifetime pass, please get the nomination form to the Section Office by March 30<sup>th</sup>, The forms are online.

The leagues nominations for the LeMaster/Hendricks/Adamson scholarships need to be to the Section Office by May 1<sup>st</sup>. Please remember that the leagues select one male and female as a finalist.

The above two groups of people will be honored at our scholarship breakfast at Butte Creek Country Club on May 12, 2010, at 8:30 a.m.

According to the baseball guidelines, in order for games to count in the seeding process, they must be on your established schedule prior to April 1<sup>st</sup>. The guidelines also state that teams should warm-up on their respective foul lines, as there are no center field warm-up circles. During an opponent's infield/outfield warm up time, opposing teams must be in the dugouts or off the field. Baseball games rain outs should be made up at the first available date.

Please remind track coaches to enter the results of meets on [www.athletic.net](http://www.athletic.net) after each meet. Entries into league and divisional meets will be done on-line at athletic.net.

Please distribute copies of the playoff guidelines to all spring coaches and then remind them to refresh their knowledge of the guidelines once they have been selected into playoffs.
