National Conference Meeting
Wednesday March 9, 2011
Pleasant Valley High School Library L1
10 am

Mike Worley has resigned as the National Conference Chair. Ryan Robison, Sutter High School Superintendent, has agreed to chair the Conference for the remainder of the year. You can contact him via email, rrobison@sutterhigh.k12.ca.us.

The room will be set up with only 20 chairs around the table, for the voting representative from each school. There will be other chairs set up around the outside of the room, but it will be cozy, so please bring only necessary individuals.
