Div. II- Pleasant Valley  
Div. III- Paradise  
Div. IV- Lassen  
Div. V- Hamilton  
Div. VI- Butte Valley

Thank you to everyone that helped put on a wonderful winter playoffs. You did a wonderful job! It was fantastic to watch all our student/athletes compete.

Please copy this newsletter and give to all coaches.

Please remember to have your coaches go on-line to [www.maxpreps.com](http://www.maxpreps.com) to record your wins and losses, since that is the site we use for seeding into the playoffs.

Spring 11

If you have anyone retiring that is eligible for a lifetime pass, please get the nomination form to the Section Office by March 29<sup>th</sup>, The forms are online.

The leagues nominations for the Lemaster/Hendricks/Adamson scholarships need to be to the Section Office by May 1<sup>st</sup>. Please remember that the leagues select one male and female as a finalist.

The above two groups of people will be honored at our scholarship breakfast at Butte Creek Country Club on May 18, 2011, at 8:30 a.m.

Please make sure your schools baseball bates are either BBCOR or on the waiver list. Every team who plays in the State must use only baseball bats meeting the new standard.

Weather delayed baseball and softball games need to be scheduled at the next available date, so there is not a back log of games at the very end of the season.

League games take precedent over non-league games.

Please remind track coaches to enter the results of meets on [www.athletic.net](http://www.athletic.net) after each meet. Entries into league and divisional meets will be done on-line at athletic.net.

Please distribute copies of the playoff guidelines to all spring coaches and then remind them to refresh their knowledge of the guidelines once they have been selected into playoffs.

Contact information-
