- Treasurer Report – There is \$814.54 in the bank. Ray handed out the dues form to all schools. The dues are due by October 10. We have 135 All-League patches which should get us through till next year.
- Conversation about moving Mercy to the South next year. This brought up that we aren't sure who will have a team next year. We will put this on the agenda for the February meeting to restructure the leagues. Also brought up was that there is a push for 8-man (all sports) to go to 175 max students. If you are for keeping it at 150 then send a letter to Martin so he and Randy can bring it up to the football committee.
- Ray asked for everyone to be current on MaxPreps. This includes roster and stats.
- Martin handed out all-league information. He restated that there are 2 All League teams, each with a MVP .Discussed lowering All League per team, but it was said that those numbers are the maximum. You as a coach do not have to use all the ones given to you.

- Article 5 Section 1 of the Constitution now reads officers to serve 2 years. Ray said he was of to stay as treasurer for another 2 years due to the fact of the trouble and time he went through setting up the account.
- Scrimmages to be moved to August 20th next year
- Randy talked with Lions about having an 8 man All Star game. They are for it and the suggestion was to have it before the Lions All-Star Classic in July committee was formed to get it going and to be able to bring the idea to the Lions with some facts and numbers. The committee will consist of Randy, Bryan, Ray, and Paula. Randy will find out when the next Lions football committee meeting is.
