RE: 2012 Northern Section Masters – Scales needed

Good Morning,

As most of you know, we are hosting the 2012 NSCIF Masters at the Redding Convention Center. This year, to streamline weigh-ins, we intend to use seven scales. We currently have two teams providing their scales, if you have an accurate scale in good condition, we would like to use it for weigh-ins both days, February 24th and 25th. Please contact either the undersigned if you can provide your scale for weigh-ins.

Your time and effort is appreciated. With all your support, we look forward to having an efficient, well run tournament.

Sincerely,

Ryan Robison
Principal/Superintendent
Sutter Union High School
