September 20, 2011

Welcome back to a new year,

As we get going with the school year, we are also busy planning for the 39th Annual Northern Section Athletic Director's Conference. We will be making a minor change to the conference date. The conference will be held on **Wednesday**, November 16th at the Redding Holiday Inn. We feel this will keep Athletic Director's and coaches from any conflict with the Volleyball play-offs.

The Northern Section Athletic Directors Association will be trying to re-enforce the positives of our Association and its members. We continue to have new Athletic Directors who bring added energy to our profession in the Northern Section. We are lucky to have quality people fill the positions on our section board. Unfortunately, Jeanne Utterback (Fall River) moves into school Administration, so Scott Johnson from Oroville will move up a year early to become our new President, Troy Wellington (Foothill-Redding) will stay on as our Past-President, and Ryan Bateman will fill the President-Elect position a year early. Randy Gilzean (Pleasant Valley) is the Secretary-Treasurer.

This year's conference will be held on **Wednesday**, November 16th from 8:30am - 2:30pm. We would like leagues to plan a short league meeting at 2:30pm in an effort to cut down on your time missed from school and to give your administrators one more reason to come to the conference.

The membership form for N.S.A.D.A. and C.S.A.D.A., along with registration for the N.S.A.D.A. Conference is enclosed. Please encourage your site administrators to attend with you and join us for lunch.

School membership for C.S.A.D.A. (our state association) is only \$100 for you and up to four other people from your school. It is important for your administrator to know what a great job you do and that you are a member of an important professional organization.

If you or any of your staff have any ideas or suggestions, please forward them to me. If we can't fit them in the agenda this year, we will add them to the agenda for next year's program.

Please complete the enclosed registration and return it to me at Pleasant Valley High School as soon as possible and don't forget to mark your calendars now!

Sincerely,

Randy Gilzean
