

## **INTRODUCING THE NEW SPALDING TF-1000**

The **Spalding TF-1000** Basketball has been the industry standard for more than a decade, and at Spalding we strive to make the best better. While keeping innovation and growth a mainstay in our product development, the TF-1000 has evolved.

The New **Spalding TF-1000** takes the best selling design of the previous model, and incorporates the newly engineered exclusive ZK cover material. Spalding's exclusive ZK cover material has been infused with next generation moisture management technology, to ensure that the ball feels the same at the beginning of the game as it does at the end. Spalding's new TF-1000 has been designed and engineered to take your game to the next level, and ensure that Spalding as always stays True to the Game.
