Coaches,

Thanks for all your help as markers, scorers and drivers yesterday in Likely. Congratulations on a great season and particularly to the teams and individuals who will represent Division II next week at Whitehawk.

I will send the info regarding the NSCIF Championship as soon as I receive it. I do know that you can schedule a practice round at Whitehawk on Monday, May 15 for \$30.00/person.

Also, in yesterdays tournament packet was information about our 2<sup>nd</sup> Annual NSCIF Coaches Clinic to be held at Bailey Creek Golf Course in September. We would like to have all interested participants register before June if possible to confirm facility size and needs with Bailey Creek. Please contact me if you are unable to register prior to June but are sure you going to attend and can pay in either August or September prior to the clinic.

Thanks again for making this years NSCIF Division II Championship run smoothly. I look forward to seeing you next week and/or at the coaches clinic in September.

Harold Montague  
Tournament Director/Modoc High Golf Coach
